## **Conflict of Interest Policy**

(As adopted by the Incorporator on 06/06/2008)

### ARTICLE I PURPOSE

The purpose of the conflict of interest policy is to protect *Amateur Softball Association of South Florida, Inc.*'s (hereinafter referred to as SFASA) interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of SFASA or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

### ARTICLE II DEFINITIONS

1. Interested Person. Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.
2. Financial Interest. A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
  - An ownership or investment interest in any entity with which SFASA has a transaction or arrangement,
  - A compensation arrangement with SFASA or with any entity or individual with which SFASA has a transaction or arrangement, or
  - A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which SFASA is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial. A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

## ARTICLE III PROCEDURES

1. Duty to Disclose. In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.
2. Determining Whether a Conflict of Interest Exists. After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.
3. Procedures for Addressing the Conflict of Interest.
  - An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
  - The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
  - After exercising due diligence, the governing board or committee shall determine whether SFASA can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
  - If a more advantageous transaction or arrangement is not reasonable possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in SFASA's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement. TM

## ARTICLE VII PERIODIC REVIEW

To ensure SFASA operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are reasonable, based on competent survey information and the result of arm's length bargaining.
- b. Whether partnerships, joint ventures, and arrangements with management organizations conform to SFASA written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

While conducting the periodic reviews as provided for in Article VII, SFASA may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the governing board of its responsibility for ensuring periodic reviews are conducted.
